## Gertz, Reeser become members of 'Entourage'

By Nellie Andreeva

Meet Mrs. Andrew.

Jami Gertz has joined HBO's "Entourage" as a recurring. She will play the wife of Andrew Klein (Gary Cole), recently brought to Miller/Gold as an agent by his long-time friend, Ari Gold (Jeremy Piven).

Also joining "Entourage" as a recurring next season is Autumn Reeser, who will play Lizzy, a new

junior agent at Miller/Gold.

Unlike Ari's wife (Perrey Reeves), famously referred to on the show only as Mrs. Ari, Gertz's character will have a name: Marlo Klein.

Gertz ("Still Standing") is repped by ICM and Alchemy.

Before "Entourage," Reeser will shoot Universal's

"Smokin' Aces: Blowback." She is managed by Kritzer/Levine/Wilkins. **THR**
