PRIMETIME PILOT PANIC: ABC Picks Up 'No Ordinary Family'

By NELLIE ANDREEVA
May 12, 2010

UPDATE: The 3 top ABC comedy pilots at the moment, *Mr. Sunshine*, *Untitled Couples* and *Happy Endings* are all meeting with writers. Marc Guggenheim, who served as an executive producer on the pilot for *No Ordinary Family*, will stay on in consulting capacity as he is busy with feature projects.

PREVIOUS: *No Ordinary Family*, The Greg Berlanti-produced drama about a family of superheroes has been picked up to series, ABC's first new series order this season. The pilot starring Michael Chiklis had already been staffing. Berlanti wrote *No Ordinary Family* with Jon Feldman. The two are executive producing the ABC Studios drama with Morgan Wandell and the pilot's director David Semel. The cast of the show also includes Julie Benz, Autumn Reeser, Romany Malco, Jimmy Bennett, Kay Panabaker and Christina Chang. Also meeting with potential writers is another ABC drama pilot *Generation Y*, and the Shonda Rhimes-produced *Off The Map* is making "if come" deals with writers.
