Autumn Reeser Expecting First Child

When **Autumn Reeser** said she was “carrying a little extra weight,” she wasn’t referring to Thanksgiving: the [No Ordinary Family](#) star is expecting her first child!

“I’m pregnant,” she told Jimmy Kimmel on [Jimmy Kimmel Live!](#) Tuesday night, after pointing to an as-of-now invisible baby bump.

The actress, 30, joked about her husband, writer-director **Jesse Warren**, finding out the news on television.

The two [exchanged vows in May 2009](#) under a 200-year-old oak tree in Ojai, Calif.

As for her role on the ABC sci-fi series *No Ordinary Family*, Reeser — whose previous TV credits include *The O.C.* and *Entourage* — says she’s not sure if producers will incorporate her pregnancy into her role as Katie Andrews, a gawky, comic book-consuming lab technician.

“My character is ... kind of not so great with men, but it is a superhero show, so it could be a magical something that just happens,” she says. “Stranger things have happened.”
