No ordinary news here: Autumn Reeser is a mom.

The *No Ordinary Family* star, 30, and husband Jesse Warren welcomed a son Tuesday morning, the [proud dad](#) Tweeted.

"On May 10th, 2011 at 10:53 a.m. ... Little 'Finn' was born into the world," he wrote.

Measuring 20 inches and "right around 7 lbs.," Warren – who raves Reeser was "amazing" throughout the delivery – admits the idea of fatherhood is still sinking in. "Really? I have a kid now?!" he muses.

As for brand new baby boy Finn? He took to his own [official Twitter page](#) to share his first thoughts of the world. "It is BRIGHT out here!"
