FUNNY\*  
JOKE  
FROM A  
BEAUTIFUL  
WOMAN

AS TOLD BY

## Autumn Reeser

A man thinks he is a dog, so he goes to see a psychiatrist. "It's terrible," says the man. "I walk around on all fours, I keep barking in the middle of the night, and I can't go past a lamppost anymore."

"Okay," says the psychiatrist. "Get on the couch."

The man replies, "I'm not allowed on the couch."

### ABOUT THE JOKESTER:

You'd think that after two seasons of playing home-wrecking TV agent Lizzie Grant on HBO's *Entourage*, Autumn Reeser would be recognized on the street from time to time. Apparently not. "People who don't live in L.A. or New York will say, 'What is that show?'" the 30-year-old says. If not on *Entourage*, then surely they've seen her on *The O.C.* or in the *Lost Boys* sequel, *Lost Boys: The Tribe*. (Eh, probably not.) Next up for the La Jolla, California, native is a role on this fall's *No Ordinary Family* on ABC. Reeser plays Katie Andrews, an eager, comic-book-obsessed lab assistant to a scientist recently endowed with superpowers. The role should finally afford the actress some flattering exposure. We're doing our part here.
