

OK! WEEK IN PHOTOS

MY BEST AUDIENCE

When Autumn Reeser feels the urge to belt out a tune, she has two enthusiastic fans—Gatsby, a papillon, and Sadie, a saluki/Shepherd mix—ready to listen. “I practice my singing for them,” Autumn tells *OK!*. “I make up songs for them and they like it. They are a great audience.” Autumn, the former *O.C.* star now featured on both HBO’s *Entourage* and ABC’s *No Ordinary Family*, believes the dogs may help get her a musical role one day. “I’ll go to an audition and say, ‘Hey, my dogs really like this song. So here goes!’”
