WARREN-REESER BABY

Autumn Reeser, who appears on HBO's *Entourage*, and her husband, **Jesse Warren**, writer-director of *The Bannen Way*, welcomed their first child, a son, Finneus James Warren, at 10:53 a.m. May 10. "Our son is here!" the actress tweeted of the 6 lb., 11 oz. baby the next day. And the tweeting didn't stop there: An account was created for Finn. The first tweet read, "Here I am, world!"
